

Dear 4th Grade Families,

Hello! My name is Ms. Larsen and I am very excited to have your child in my classroom this school year! I would like to begin by sharing a little bit about myself. I am from Midlothian, Illinois and have lived there for the majority of my life. I graduated from Carthage College with a degree in Management, but soon after realized education was my calling. So, I went back to school and recently graduated with my Masters degree in Teaching from North Park University. In my free time, I enjoy spending time with my family and friends, reading, binge watching television shows, and playing with my dog Max!

This will be my first year teaching and I am so excited to start my teaching career and to have the opportunity to learn everything I can from both you and your student to help them reach their full potential, especially during these trying times. With that being said, we still have a great year ahead of us! We will be learning tons throughout the course of the year, all while having plenty of fun along the way! The students will have the chance to reinforce the concepts and skills they learned last school year and build on them during this upcoming school year.

I strongly believe that parent involvement is extremely important in order to be successful within the classroom, so please feel free to contact me with any questions, comments, or concerns you may have during the school year at elarsen@phsd144.net. I look forward to getting to know and work with your student and you throughout the year!

Sincerely,

Ms. Larsen
