

Google Classroom and Free Xfinity Wi-Fi For Remote Learning

Hello Parents,

For District 144's Remote Learning Program, teachers and students will be using Google Classroom. All students have a Google account that provides them with resources such as Email, Meet, and of course Classroom. For your child to access Google Classroom please have them go to the District's website (www.phsd144.net) and click the Google Link under Quick Links, or go to https://classroom.google.com. You will see the Google sign-in screen.
