

Ms. Jackson's Weekly Math Intervention Newsletter!

Contact Information: cjackson@phsd144.net

Math Intervention Resource and Information Page: <https://www.phsd144.net/Page/7127>

Information

-Next Week will be the final week of Math Interventions.

-Students will be taking their post assessment based on what has been covered in the strand of Operations and Algebraic Thinking. Please allow students to bring their laptops.

Testing Schedule

Tuesday

Mae Jemison

3rd-5th Grade will test in the morning.

9:30-10:15-3rd Grade

10:15-11:00-4th Grade

11:00-11:30-5th Grade

Chateaux

3rd-5th Grade will test in the afternoon.

12:30-1:15-4th Grade

1:15-1:45-5th Grade

1:45-2:15-3rd Grade

Wednesday

Highlands

3rd-5th Grade will test in the morning.

9:30-10:15-3rd Grade

10:15-11:00-4th Grade

11:00-11:30-5th Grade

3RD GRADE

STANDARD(S):

- 3.OA.8 (Solve two-step word problems involving +, -, x and ÷)

ACTIVITIES:

- Engaged in Multi-Step Word Problems including visual models
- Create equations/expression games
- Multiplication/Division Word Problem Sort

4TH GRADE

STANDARD(S):

- 4.OA.3 (Multi-step word problems)

ACTIVITIES:

- Engaged in games to practice modeling expressions and equations
- Model word problems through visual models and equation
- Multi-step Word problem and expression sorting

5TH GRADE

STANDARD(S):

- 5.OA.2 (Write and interpret simple expressions)
- 5.OA.1 (Parentheses, Brackets & Braces)

ACTIVITIES:

- Model word problems through visual models and equations
- Creating and evaluating equations/expressions
- Multi-step Word problem and expression sorting

3rd Graders Analyzing Multi-Step Problems and Creating Expressions to Solve for the Answer!

4th Graders Solving Multi-Step Problems and Evaluating Expressions!

Upcoming Intervention Skills

3RD GRADE

STANDARD(S):

- 3.OA.8 (Solve two-step word problems involving +, -, x and ÷)

ACTIVITIES:

- i-Ready Post Assessment

4TH GRADE

STANDARD(S):

- 4.OA.3 (Multi-step word problems)

ACTIVITIES:

- i-Ready Post Assessment

5TH GRADE

STANDARD(S):

- 5.OA.2 (Write and interpret simple expressions)
- 5.OA.1 (Parentheses, Brackets & Braces)

ACTIVITIES:

- i-Ready Post Assessment

May Monthly Tip!

To ensure students are retaining information learned throughout the year. You can keep the practice going by,

- including specific skill work in homework packets (see me for an example of this)
- early finisher work
- bell work/do now
- include a question(s) at the end of weekly assessment.
- Think about creating summer packets that contain work students may still struggle in.
