Navigate Your Dashboard

Navigate Your Dashboard

Welcome to your **Dashboard**! This is your home page. You can always get here by selecting the Savvas Realize icon at the top left of the menu bar on any page in Savvas Realize.

My Work:

View the content your teacher has assigned to you.

- Assignments
- Texts
- Videos
- Games
- Tools

Explore:

View the content your teacher has selected for your classes.

Complete An Assignment

Complete an Assignment

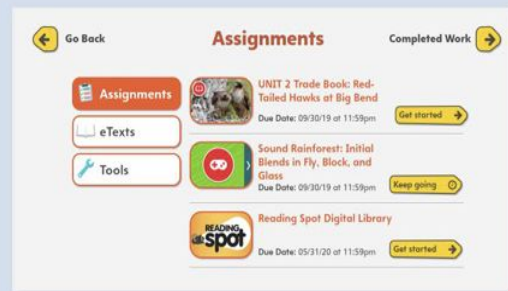

The **Assignments** page lists your assignments and gives you access to texts, videos, and games.

Step 1: Click **My Work**.

Step 2: Look at your assignments list and the labels.

- **Get Started** – This is a new assignment.
- **Keep Going** – You have opened this assignment but have not finished it.

Step 3: Click **Get Started** or **Keep Going** next to the assignment you want to work on.

Step 4: Read the directions.

First Selection

Directions: Listen to the selection. Then answer the question.

Step 5: Complete the work. Click **Turn In** or **Send to Teacher**.

Complete A Test

Complete a Test

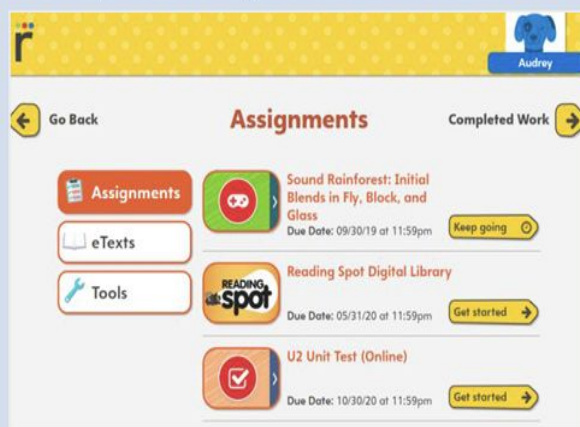

The **Assignments** page lists your **tests** too.

Step 1: Click **My Work**.

Step 2: Find the test you need to complete in your list of Assignments.

- **Get Started** – This is a test you have not started.
- **Keep Going** – You have opened this test but have not finished it.

Step 3: Click **Get Started** or **Keep Going**.

Step 4: Read the directions. Click **Next** to move to the next question. Make sure to answer all the questions.

Next →

Step 5: Complete the test. Click **Submit test** to send it to your teacher. You cannot make changes after you submit.

Submit test

View Your Grades & Feedback

View Your Grades and Feedback

After you **finish your work** you can see **how you did**.

Step 1: Click **My Work**.

Step 2: Click **Completed Work**.

Completed Work

Step 3: Find the assignment or test you want to view.
Click **Review Work**.

← Assignments

Completed Work

	U2 Unit Test (Online) Due Date: 10/30/20 at 11:59pm	Review Work →
	UNIT 2 Trade Book: Red-Tailed Hawks at Big Bend Due Date: 09/30/19 at 11:59pm	Review Work →
	UNIT 2 Video: Who's Been There? Due Date: 09/23/19 at 11:59pm	Review Work →

Step 4: Read the chart to see which questions you answered correctly and incorrectly.

Question 26	✔ Correct	1 out of 1 point	View question
Question 27	✔ Correct	1 out of 1 point	View question
Question 28	✘ Incorrect	0 out of 1 point	View question
Question 29	✔ Correct	1 out of 1 point	View question
Question 30	✘ Incorrect	0 out of 1 point	View question

Read Digital Texts

Read Digital Texts

Read your **digital books** at home!

Step 1: Click **My Work**.

Step 2: Click **Get started** to read a book from your Assignments list.

Step 3: Open the book. Click the arrows to turn the pages.

Step 4: To highlight and take notes, select a word, sentence, or paragraph. Then click **Highlight**, **Circle**, or **Underline** and choose a color.

Step 5: Type your notes or questions. Click **Save**.

Complete Your Work In Google Classroom

Complete Your Work in Google Classroom™

Your teacher may assign **Savvas Realize assignments** to your **Google Classroom** account.

Step 1: Sign in to Google Classroom, and then select the assignment.

Step 2: Wait for the assignment to open in a new browser tab or click **Take me there now**.

Step 3: If prompted, select or **enter** your Google Classroom login information.

Step 4: Click **Allow** in each Google Classroom prompt to give Savvas Realize access to your Google Classroom account.

Step 5: In the assignment details, you can attach files, view your teacher's comments, and add comments.

Step 6: Select an **activity**, and then use the assignment viewer to complete the activities in your assignment.

Step 7: When your work is complete, click **Turn In** or **Turn in All**.
