

Pathways to Success

PRAIRIE-HILLS

Elementary School District 144

Today's Students... Tomorrow's Leaders

Country Club Hills ~ Hazel Crest ~ Markham ~ Oak Forest

Vision Statement

Prairie-Hills Elementary School District 144 is committed to producing lifelong learners that are college bound, career ready, and are able to compete in a global society.

Mission Statement

The mission of Prairie-Hills Elementary School District 144 is to ensure that we provide an enriching, rigorous and holistic learning experience promoting 21st Century lifelong learners while maintaining high expectations for all students, staff, parents and community members.

Message from the Superintendent

Our students can excel and help change our country despite COVID-19 and systemic racism

Greetings Prairie-Hills D144 Students, Staff, Parents and Community Members,

What a year this has been! None of us had any idea that the end of the 2019-20 school year would be so profound and life changing. We survived the pandemic only to encounter another senseless death of an African-American male.

I rarely use this platform to address political and social issues. But I would be remiss not to discuss the significant impacts that both situations have had on our way of life.

I miss our students, as do all of our PHESD 144 staff members. The lifeblood of our district resonates in the 3,050 students we serve each and every day. The inability to see them, talk to them, hug them, smile at them, and engage them has been devastating for us AND for our students. COVID-19 has forever changed the way in which we live. I do not believe that life as we know it prior to COVID-19 will resume. As such, we are all trying to figure out our current reality. At this time Prairie-Hills is planning on reopening schools on Wednesday, August 26. Of course, should there be a change in our current health conditions then we will move to remote learning instead of the in-person learning we are currently anticipating.

I have created a Back-to-School Committee consisting of administrators, teachers, support personnel, parents and community members. We are all working feverishly to provide our parents, students and communities with the guidelines we will use for the Fall 2020 reopening. More information will be forthcoming.

Systemic racism has existed in the United States of America for more than 400 years. At some point in time, people continuously judged by the color of their skin, beaten and/or killed will reach their limit. It is unfortunate that it took the tragic death of Mr. George Floyd to spur such drastic consequences throughout our nation. However, it is an opportunity for us to as Jim Collins from "Good to Great" would say, "face our ugly truth." In order to plan for the future, we must address the inequities of the past.

I would like to state that the police are not our enemies. The enemy is the lingering stench of racism that occurs in every aspect of our society. Quite frankly, every career in this country has a few bad apples. There are bad teachers, bad administrators, bad judges, bad police officers, bad doctors, bad business owners, bad entertainers, bad lawyers, bad dentists...the list goes on and on. We must change existing policies that continue to separate and divide people based upon the color of their skin. This is our charge, and this is where we can begin the conversation that will lead to action!

As I write this letter, my heart is in turmoil because our children are experiencing life-changing events. My biggest fear is that our students were not with us so we could have used these events as teachable moments. I hope our parents and community members take the time to explain current events and implications to our future generation of leaders. I have watched our young people express themselves via social media and been impressed with their thoughts, ideas and actions. This generation has the potential to BE the difference we have ALL been seeking and preaching. Let's join forces to ensure they are successful in all their endeavors.

I value your feedback so please feel free to call me; (708)704-5063, email me; kpatterson@phsd144.net or message me on Twitter; @DrKimako. My Board of Education, along with our staff, and I remain committed to ensuring that the students we serve are prepared to excel and become leaders in a global society!

Dr. Kimako Patterson
Superintendent
Prairie-Hills Elementary District 144

Registration Information

Parents and guardians of returning students are encouraged to register on-line via InfoSnap. The link can be found on the District's homepage www.phsd144.net on the left side under 'quick links'. All students should have received a Snap Code to register. If you did not receive a Snap Code or have any questions, please contact our Registrar Tina Alexander at 708-210-2884.

Fees for the 2020-2021 school year are as follows, register and pay on-line before July 31, 2020 and receive a 15% discount on fees.

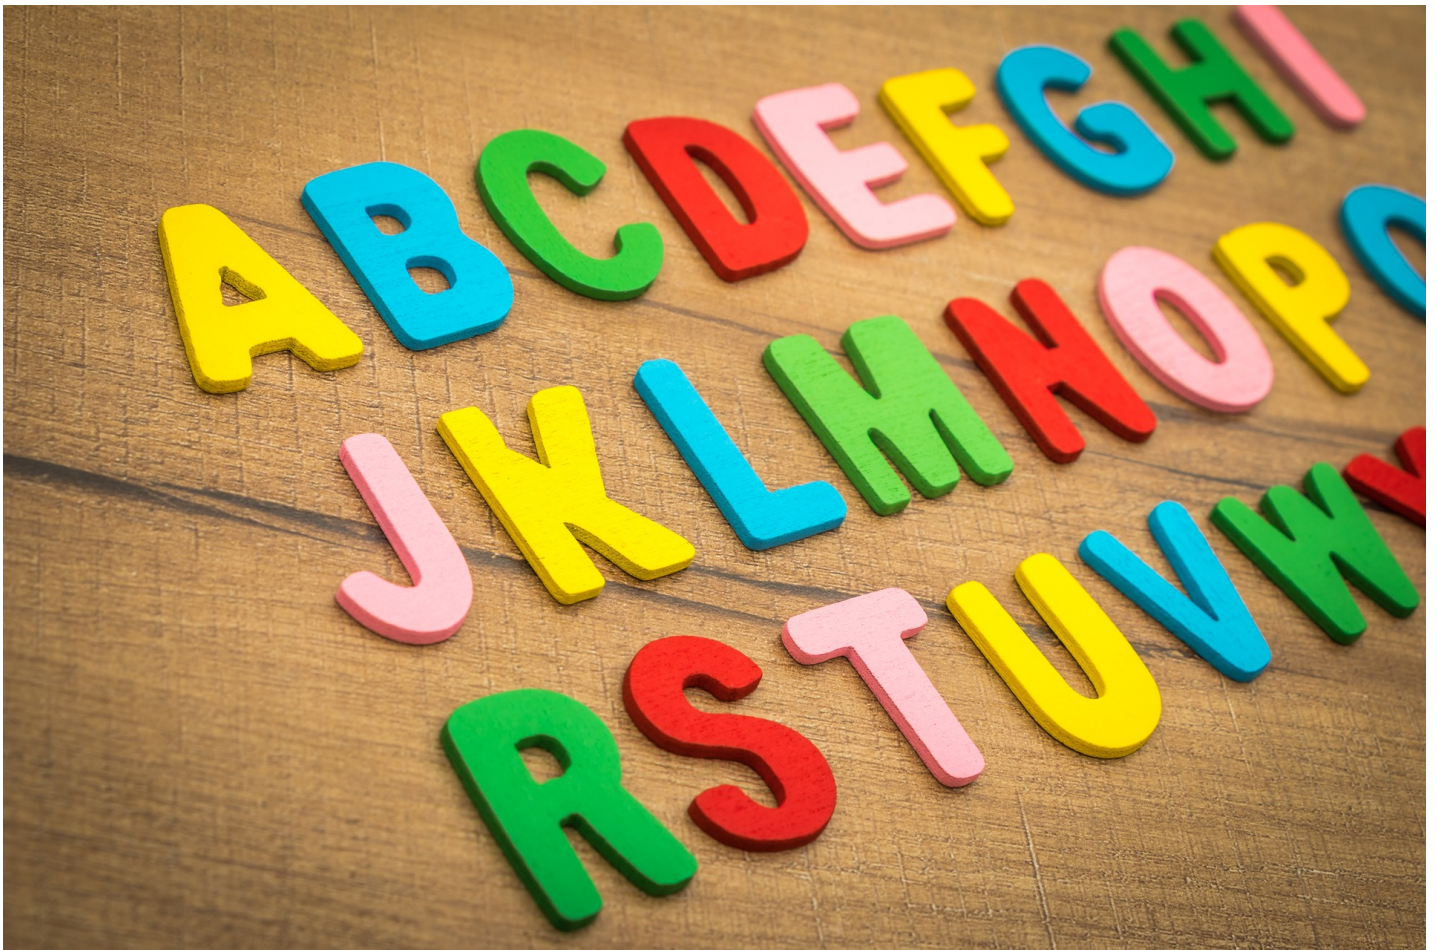

| | Regular Fee | 15% discount if registered between June 1 and July 31, 2020 | After August 1, 2020 |
|----------------|--------------------|--|-----------------------------|
| 1st– 5th Grade | \$70.00 | \$59.50 | \$70.00 |
| 6th– 8th Grade | \$85.00 | \$72.25 | \$85.00 |

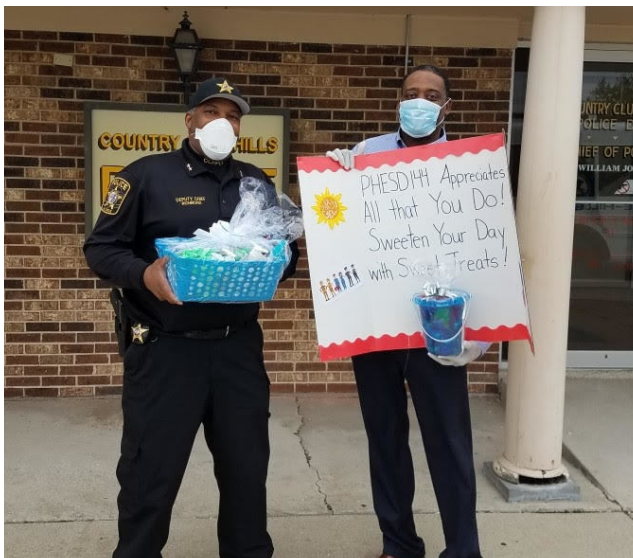

Pre-K Screening

Prairie-Hills Elementary School District 144 is currently gathering information for consideration of qualification for our Pre-K program for the 2020-2021 school year. Parents/guardians will need to sign the consent form, fill out the parent survey and provide proof of recent income or public benefits.

These forms can be found on our website www.phsd144.net under Student Services and Early Childhood Program. You can also e-mail prekprogram@phsd144.net to have the forms e-mailed or mailed to your home. The information can be returned via U.S. mail, e-mail or Pre-K drop box at District Office.

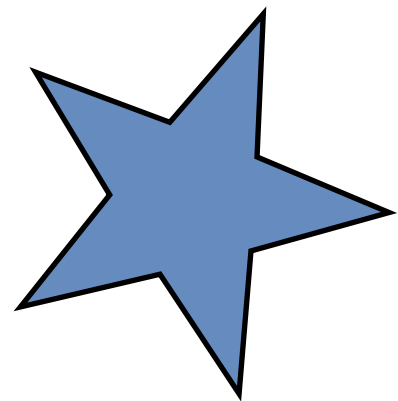

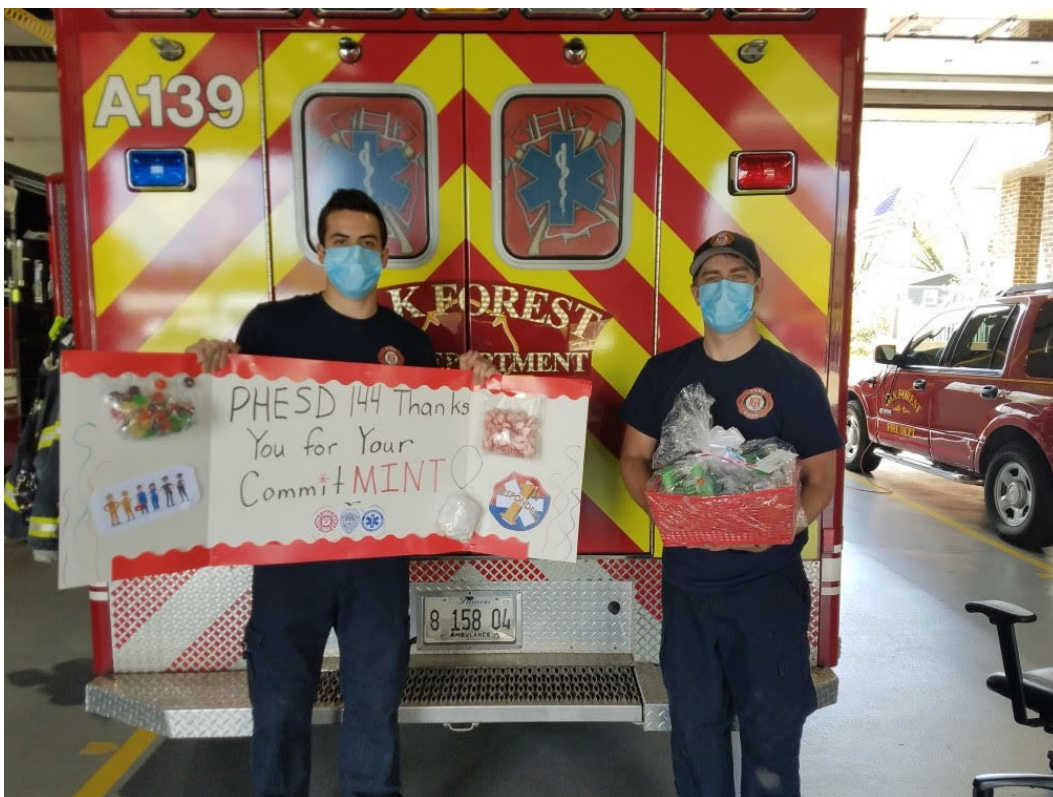

Once we receive the documents, you will be notified if your child(ren) qualify and the registration process. Please keep in mind we will need a current physical and immunization record and birth certificate to register. If you have any questions, please contact the Student Services Department at 708-210-2897.

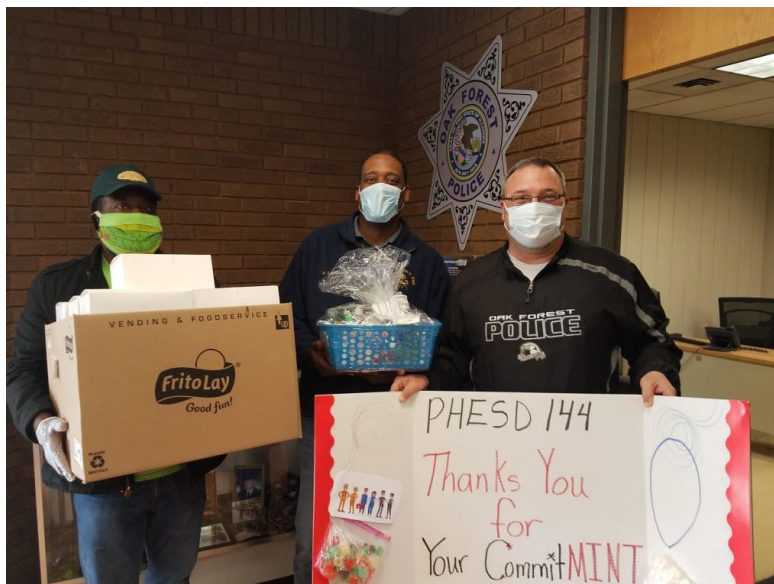

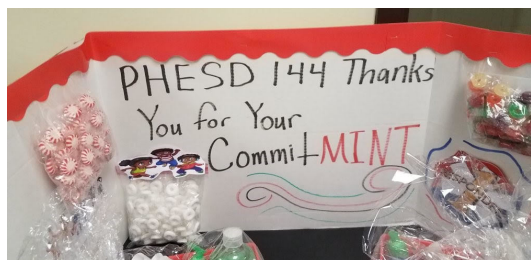

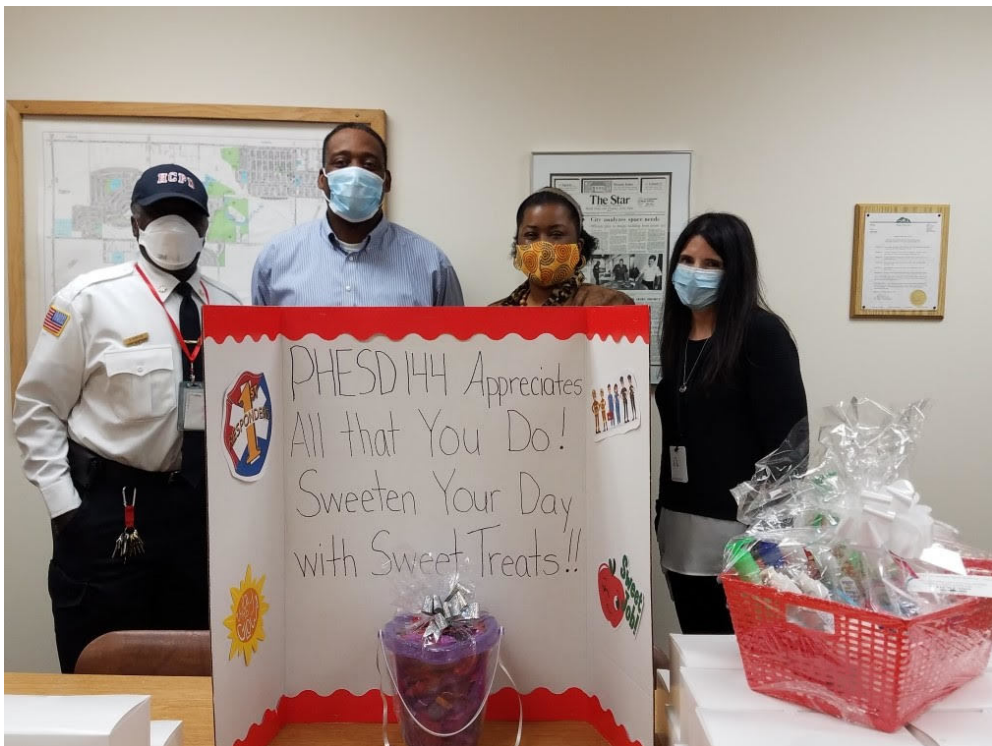

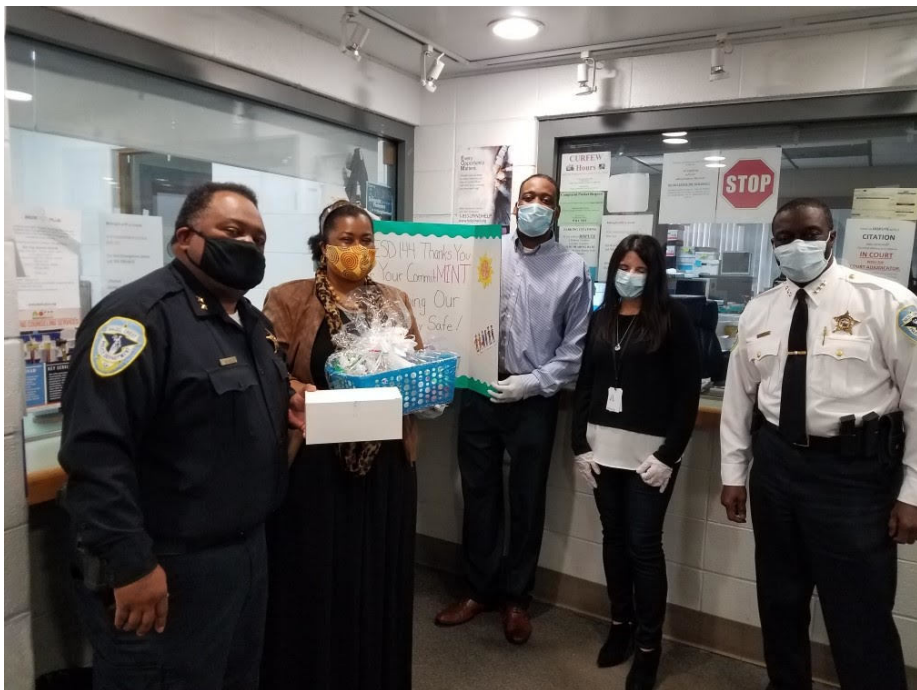

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

-Maya Angelou

Prairie-Hills Mustangs cap remarkable run of back-to-back state basketball championships

The Prairie-Hills Mustangs 8th grade boys basketball team completed the most successful two-year run in school history in late February by knocking off a powerful East St. Louis Lincoln team 61-45 for the Class 4A Illinois Elementary School Association (IESA) state championship.

The same group had claimed the 7th grade large-school state championship in 2019 with a perfect 25-0 record and combined with this year's 22-2 mark ended their junior high careers with an amazing 47-2 record. A Prairie-Hills team coached by Keith Mathis won back-to-back IESA titles 20 years ago, but the 2019-2020 champs' record is believed to be the best two-year mark ever for the Mustangs. In fact, no Illinois team beat the Mustangs in the past two seasons with the only losses coming to a team from Gary, Indiana.

"Not only have our players performed brilliantly on the court, but they also have represented our school and our communities with high character and class," said Prairie-Hills Superintendent Dr. Kimako Patterson. "We could not be prouder of these young men and their coaches."

The Prairie-Hills Junior High Mustangs were coached by Marlon Cobb along with assistant coaches Deshawn Boyd, Mark Collins and Alfonzo Lee. The players included: Austin Alexander, Jalon Bradford, Gianni Cobb, Oscar DeLaTorre, Nyzir Duncan, Demetrius Ellis, Jalen Falcon, Nehemiah Fowlkes, Tysean Griffin, Corey Harris, Sid Harris, Myles Haythorne, Amarrion Jackson, Joshua Johnson, Levell Jones, LaRon Mason, Kyvon Thomas, and Messiah Walker.

"I first noticed in practice last year how good this group might be," said Coach Cobb, in his second year as head coach. "I saw the talent we had and how well they got along on and off the court."

The state championship game pitted the Mustangs against a 27-1 team from East St. Louis. Prairie-Hills trailed for one of the few times during the title run 14-13 before taking a one-point 23-22 lead at halftime. The Mustangs then dominated the second half to run away with the championship. Jalen Falcon led the team in scoring with 17 points, while Gianni Cobb hit three 3-pointers and added 16 points. Kyvon Thomas scored 8, Demetrius Ellis 7, Nyzir Duncan 6, Levell Jones 5 and Messiah Walker 2.

"The East St. Louis game was a tough one. They kind of played what I call bully-ball, and they were getting in our heads. I told our guys at halftime that we had to get back to our brand of ball – defend, execute, rebound and push the ball," said Cobb, whose Mustangs outscored East St. Louis 38-13 in the second half.

The semifinals saw the Mustangs roll over a 21-2 Champaign Edison team 60-33 with a very balanced attack as Falcon scored 13 and Cobb, Thomas and Nehemiah Fowlkes scored 11 apiece. Duncan and Jones had 6 points each and Walker rounded out the scoring with 2 points.

The Mustangs also crushed a 23-4 Rockford Eisenhower team 61-28 in the quarterfinals. Cobb had a game-high 19 points, followed by Thomas and Falcon with 12 each, Duncan with 10, and Fowlkes, Ellis, Mason and Walker 2 apiece.

The Mustangs faced their stiffest test in the Markham Regional, where they were the No. 2 seed. They beat No. 1 Flossmoor Parker 38-36 in the regional title game after dispatching Steger Columbia 68-12 and Matteson Colin Powell 53-19 in the earlier rounds. They then defeated Lansing Memorial 41-29 in the sectional to advance to state.

"We trailed in that regional championship game by five points in the fourth quarter," Cobb recalled. "Jalen Falcon probably had the biggest bucket of the game on an 'and-one' (basket and a free throw) to put us up by one point with a minute to go."

The whole team composed of players from the communities of Markham and Hillcrest was family, and Cobb had the added privilege of coaching his son Giani.

"That was a blessing to get to coach Giani," Cobb said. "But I made him earn everything. What made this team so special was that combination of talent plus chemistry. They hung out together on weekends and at the house. They listened and they worked hard. Sometimes it's hard to get 13- and 14-year-old boys to take things seriously, but when the ball went up they were completely locked in on the game."

While the junior high basketball careers of the group have ended, Cobb's hope is that the players will stay together in high school.

"If these guys end up going to Hillcrest High School, that school has some great things to look forward to in basketball when these guys are juniors and seniors."
