

# Summer Review Packet

Name: \_\_\_\_\_

Use this packet to keep your 2<sup>nd</sup> grade skills  
sharp for 3<sup>rd</sup> grade!

[illegible]

Name \_\_\_\_\_

R-Controlled Vowels  
Identifying words with r-controlled vowels

## Recapping the Action

Draw a symbol around each word that contains ar, ir, er, or or.  
Use the code below.

1. On your mark, get set, and go!
2. Let's review today's highlights and winners.
3. Marty Marsh took first place in the long jump.
4. Sisters Shirley and Sheryl Swamp tied in the 50-yard dash.
5. Norman Night was the fastest runner in the third event.
6. No one could throw the javelin as far as Virginia's Victor Ribbit.
7. Pole vault champ Gertrude Green flew like a bird over the bar.
8. Unfortunately, Darla Dripp had a sore ankle and missed the race.
9. Lori Lilypad was perfect in the long-distance races.
10. Watch the ten-thirty news for more from the Frog-a-Thon.

Name \_\_\_\_\_

R-Controlled Vowels  
ir, o

## Lengthy Leaping

Read each clue.

Write the word that answers the clue.

Hint: Each word contains ir or or.

1. the opposite of boy ( ) \_\_\_\_\_
2. the center of an apple \_\_\_\_\_ ( ) \_\_\_\_\_
3. the prickly part of a rose \_\_\_\_\_ ( ) \_\_\_\_\_
4. a make-believe horse with one horn ( ) \_\_\_\_\_
5. a bird's sound \_\_\_\_\_ ( ) \_\_\_\_\_
6. a round shape \_\_\_\_\_ ( ) \_\_\_\_\_
7. not clean \_\_\_\_\_ ( ) \_\_\_\_\_
8. to mix with a spoon ( ) \_\_\_\_\_
9. the opposite of less ( ) \_\_\_\_\_
10. not exciting \_\_\_\_\_ ( ) \_\_\_\_\_

To solve the riddle, match the letters to the numbered blanks below.

Why did everyone think Freddy Frog would win this event?

He comes from a whole family of

6 10 3 1 J 4 9 5 2 7 8 !

**Bonus Box:** On the back of this page, write two more words that each contain ir. Then write two more words that each contain or.

Name \_\_\_\_\_

## Antonyms

Antonyms are words that have opposite meanings.

Complete each sentence with an antonym for the **bold** word from the word box. Write the antonym for the bold word on the line.

rude	future	thin	boring	quiet
few	messy	poor	short	alive
empty	before	loose	last	easy

1. It is very **noisy** in the cafeteria. \_\_\_\_\_
2. That rattlesnake is very **long**. \_\_\_\_\_
3. Last night I saw a very **interesting** movie. \_\_\_\_\_
4. The library has **many** books. \_\_\_\_\_
5. Please be **polite** to your classmates. \_\_\_\_\_
6. Please draw **thick** lines on this paper. \_\_\_\_\_
7. **Get in** line after Sara. \_\_\_\_\_
8. My brother found a **dead** bird in our yard. \_\_\_\_\_
9. I like to be **first** in line. \_\_\_\_\_
10. The math problem was very **difficult**. \_\_\_\_\_
11. Photos help us to remember the **past**. \_\_\_\_\_
12. Many movie stars are **rich**. \_\_\_\_\_
13. Put the lid on **tight** so it won't leak. \_\_\_\_\_
14. My house is very **tidy**. \_\_\_\_\_
15. I have a **full** glass of milk. \_\_\_\_\_

Name \_\_\_\_\_

# Synonyms

**Synonyms** are words that have the same or nearly the same meaning.

Complete each sentence with a synonym for the **bold** word from the word box. Write the synonym for the bold word on the line.

cold    shop    prickly    middle    leave

gaze    draw    get    grin    bought

1. I like to **sketch** animals during my free time. \_\_\_\_\_
2. The **center** of my cupcake has a yummy filling. \_\_\_\_\_
3. Did you **receive** the note from my teacher? \_\_\_\_\_
4. It is not polite to **stare**. \_\_\_\_\_
5. My mom **purchased** new clothes for me. \_\_\_\_\_
6. The **store** is closed today. \_\_\_\_\_
7. Please **exit** to the left. \_\_\_\_\_
8. Rose bushes are very **thorny**. \_\_\_\_\_
9. My friend has a big **smile** on his face. \_\_\_\_\_
10. It is **freezing** outside today. \_\_\_\_\_

Name \_\_\_\_\_ Date \_\_\_\_\_

## parts of speech sort

beautiful	garden	hike	kick	three	think
furry	drive	dress	dinosaur	scratchy	rooster

16. \_\_\_\_\_
17. \_\_\_\_\_
18. \_\_\_\_\_

Bonus: Rewrite List C. Add the following words: *simple, shadow, school, soggy, and season.*

Name \_\_\_\_\_

Spring (jelly beans)

Adjectives

# The Bean Brothers

Circle the adjective in each sentence.  
Color the jelly beans by the code.

## Color Code

Adjective that tells how many = red

Adjective that tells what kind = orange

1

Jamal and Joey Bean walked six minutes to the store.

2

They pushed one cart.

3

They saw a yellow sign.

4

The sign listed four colors of candy.

5

Jamal wanted to buy red candy.

6

He put three bags of candy in the cart.

7

Joey said he liked orange candy.

8

He got two bags of candy.

9

Joey and Jamal also bought a blue balloon.

10

They spent five dollars.

**Bonus Box:** Choose one adjective from a sentence above. On the back of this page, write a new sentence using the adjective.

Name \_\_\_\_\_

Butterflies

Ending punctuation

## Fluttery Fun

Write a ., ?, or ! at the end of each sentence.  
Color the flowers by the code.

1 Wow, what a pretty garden ☐

2 Do you see the flowers ☐

3 They smell nice ☐

4 Hey, look at all of the butterflies ☐

5 One butterfly is on a flower ☐

6 The flower is red ☐

7 What kind of butterfly is it ☐

8 His wings are black and orange ☐

9 Will he fly away soon ☐

10 Oh, I love watching butterflies ☐

### Color Code

. — red

? — yellow

! — purple

**Bonus:** Write the plural for cape, story, and wish. Explain why you added -s, -es, or -ies to each word.

Name \_\_\_\_\_

Earth Day

Subject-verb agreement

# Earth Helpers

If the verb is used correctly, circle the letter under "Yes."

If the verb is not used correctly, circle the letter under "No."

	Yes	No
1. Earth needs our help.	T	K
2. Our class do good things for Earth.	A	G
3. We cleans our schoolyard.	R	O
4. We throw away trash.	H	I
5. Our teacher turn off the lights.	B	W
6. We save energy that way.	E	N
7. Students collect newspapers and cardboard.	A	C
8. The paper go to a recycling center.	S	L
9. Some students plant new trees around the school.	P	D
10. They dig large holes for the trees.	N	W
11. Our school stay cool under the shade of the big trees.	S	Y
12. Students also recycle plastic water bottles.	T	H
13. Recycled plastic keep some trash out of landfills.	C	R
14. Fewer landfills mean more room for trees and plants.	A	U
15. Every day is Earth Day!	D	T

*Why did the students plant light bulbs?*

To solve the riddle, write each circled letter from above on its matching numbered line or lines below.

12   4   6   11   5   14   10   1   6   15   1   3   2   13   3   5

7   9   3   5   6   13   9   8   14   10   12

Name \_\_\_\_\_

Rabbits

Story problems: multiplication facts

# Hares at the Fair

Write the math sentence.  
Multiply.

3 rabbits each eat a hamburger. Each hamburger has 3 pickle slices on it. How many pickle slices do the rabbits eat in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ slices

Ricky rides the carousel 4 times. Each carousel ride costs 2 tickets. How many tickets does Ricky spend in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ tickets

6 rabbits each eat a bag of carrot chips. There are 8 chips in each bag. How many chips do the rabbits eat in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ chips

There are 5 rabbits in the roller coaster line. Each rabbit has 2 tickets. How many tickets do the rabbits have in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ tickets

There is 1 rabbit sitting on the bench. The rabbit is holding 6 balloons. How many balloons are there in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ balloons

Rita buys 8 ice cream sundaes. Each sundae has 5 toppings. How many toppings are there in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ toppings

7 rabbits are playing games. Each rabbit plays 9 games. How many games do the rabbits play in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ games

3 rabbits each eat a whole pizza. Each pizza has 6 slices. How many slices do the rabbits eat in all?

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

\_\_\_\_\_ slices

Name \_\_\_\_\_

# In the Garden

Write a multiplication sentence for each array.

A. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

B. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

C. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

D. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

E. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

F. \_\_\_\_\_ x \_\_\_\_\_ = \_\_\_\_\_

**Bonus Box:** On the back of this page, draw an array for the multiplication sentence  $5 \times 2 = 10$ .

Name \_\_\_\_\_

# Step-by-Step

Add.

Write each answer in the puzzle.

Across

A. 
$$\begin{array}{r} 739 \\ + 218 \\ \hline \end{array}$$

C. 
$$\begin{array}{r} 318 \\ + 117 \\ \hline \end{array}$$

G. 
$$\begin{array}{r} 227 \\ + 137 \\ \hline \end{array}$$

Down

B. 
$$\begin{array}{r} 425 \\ + 359 \\ \hline \end{array}$$

D. 
$$\begin{array}{r} 328 \\ + 218 \\ \hline \end{array}$$

H. 
$$\begin{array}{r} 238 \\ + 257 \\ \hline \end{array}$$

J. 
$$\begin{array}{r} 209 \\ + 209 \\ \hline \end{array}$$

L. 
$$\begin{array}{r} 614 \\ + 139 \\ \hline \end{array}$$

Name \_\_\_\_\_

Probability  
Certain and impossible

Vroom!

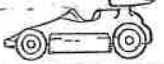

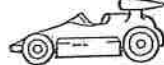

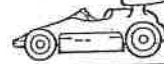

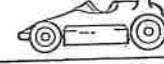

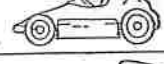

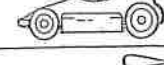

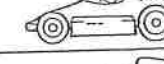

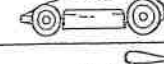

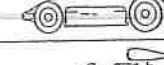

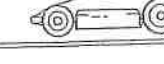

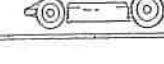

An outcome that must happen is certain.

Rodney Roadrunner, Harry Hawk, and Felice Falcon were the only drivers in a three-car race. Decide whether each statement is certain or impossible. Color the car in the matching column.

An outcome that cannot happen is impossible.

	Certain	Impossible
1. Eddie Eagle won the race.		
2. One of the drivers finished in second place.		
3. The car in last place won third prize.		
4. Felice Falcon and Sam Sparrow tied for last place.		
5. Harry Hawk won first and third prize.		
6. Rodney, Harry, or Felice won the race.		
7. Bonnie Bluejay finished last.		
8. Rodney Roadrunner won first, second, or third prize.		
9. No driver won fourth prize.		
10. Harry Hawk was the sixth driver to cross the finish line.		

**Bonus Box:** The following race outcome is possible, but it is not certain: Felice Falcon won second prize. On the back of this sheet, write another race outcome that is possible but not certain.

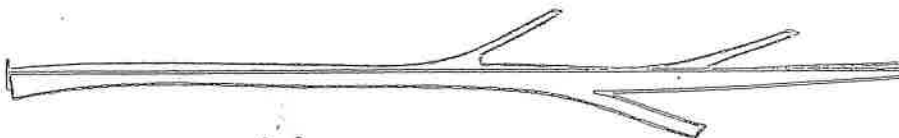

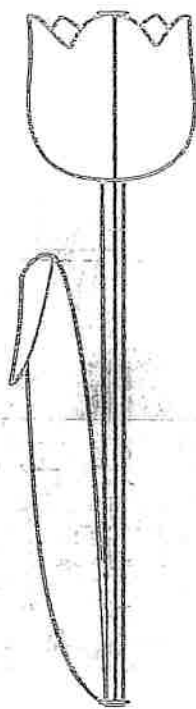

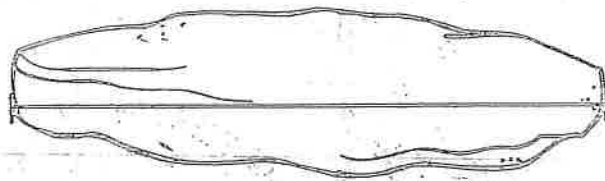

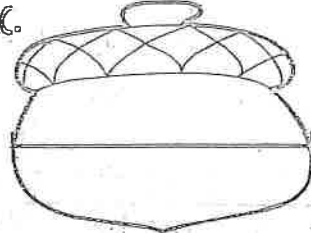

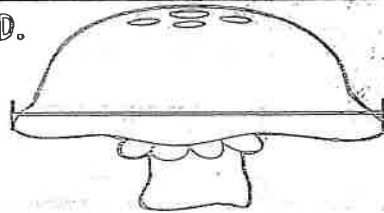

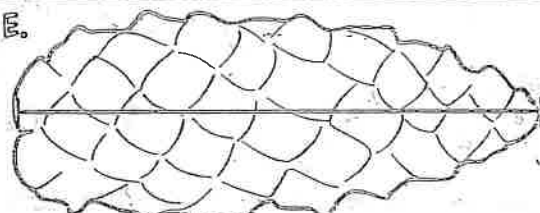

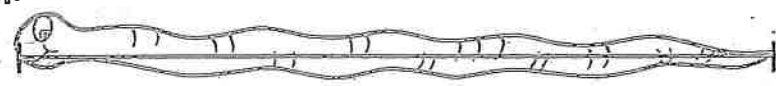

Name \_\_\_\_\_

Measurement: Length

Comparing lengths

# A Snail's-Eye View

Measure and write each length.

<p>A.</p>  <p>twig = _____ cm</p>	<p>F.</p>  <p>flower = _____ cm</p>
<p>B.</p>  <p>rock = _____ cm</p>	<p>C.</p>  <p>acorn = _____ cm</p>

$$\begin{array}{r} \square \\ 7 \\ 4 \\ \hline \square \end{array} - \begin{array}{r} \square \\ 0 \\ 4 \\ \hline \square \end{array}$$

# Perimeter & Area

## Perimeter

distance **AROUND** an object

1. Measure each side.

2. Add the sides together.

## Area

amount of surface **INSIDE** a space

Count the squares inside the shape.

\*Each square is 1 square centimeter.

Area = 9 sq cm

# Area Assessment #4

1. What is the area of the shaded rectangle below?

2. What is the area of the shaded rectangle below?

3. Find the area of the following shape.

4. Find the area of the following shape.

# Perimeter Assessment #1

1. What is the perimeter of the polygon below?

2. What is the perimeter of the polygon below?

3. What is the perimeter of the polygon below?

4. What is the perimeter of the polygon below?

**What is my  
child learning  
in Second  
Grade?**

**COMMON CORE  
addition**

# 3 KEY IDEAS FOR PARENTS about the Common [CORE]

## Thinking Deeply

The Common Core emphasizes critical thinking. It requires students to analyze more, discuss more, evaluate more, justify more and explain their thinking & understanding deeply, especially in writing. *Take-Away: Really thinking deeply is hard. Let it BE hard, help them talk it out.*

## Integrating Learning

The Common Core emphasizes learning across disciplines (reading with math & social studies standards combined into one task). Students spend more time working together with different settings, structures & tools. *Take-Away: Problems & solutions happen everyday in the real world.*

## Showing How They Know

The Common Core emphasizes proof & evidence. Long gone are the days of worksheets, fact memorizations and skill & drill. Students are not taught this way and they are not assessed this way. *Take-away: The new tests will require students to explain how they know.*

## Supporting The Common Core at Home

- ① Ask **\*why\*** when children tell you they want something or want to do or not do something.
- ② Use the word **\*because\*** after "No" or "Not tonight..."
- ③ Give reasons—you to them and them to you.
- ④ Encourage questions & explore answers (especially questions whose answers **are not** yes or no.)
- ⑤ Explain & discuss issues or problems in your house, neighborhood, & community. Brainstorm solutions.
- ⑥ Compare how things are alike and different—videos, movies, food.
- ⑦ Look for patterns
- ⑧ Describe & categorize stuff.
- ⑨ Tell your children what you value & why.
- ⑩ Encourage & celebrate opinions.

# GRADE 2

## READING: LITERATURE

### Key Ideas and Details

- RL.2.1 Ask and answer such questions as *who*, *what*, *where*, *when*, *why*, and *how* to demonstrate understanding of key details in a text.
- RL.2.2 Recount stories, including fables and folktales from diverse cultures, and determine their central message, lesson, or moral.
- RL.2.3 Describe how characters in a story respond to major events and challenges.

### Craft and Structure

- RL.2.4 Describe how words and phrases (e.g., regular beats, alliteration, rhymes, repeated lines) supply rhythm and meaning in a story, poem, or song.
- RL.2.5 Describe the overall structure of a story, including describing how the beginning introduces the story and the ending concludes the action.
- RL.2.6 Acknowledge differences in the points of view of characters, including by speaking in a different voice for each character when reading dialogue aloud.

### Integration of Knowledge and Ideas

- RL.2.7 Use information gained from the illustrations and words in a print or digital text to demonstrate understanding of its characters, setting, or plot.
- RL.2.8 (RL.1.8 not applicable to literature)
- RL.2.9 Compare and contrast two or more versions of the same story (e.g., Cinderella stories) by different authors or from different cultures.

### Range of Reading and Level of Text Complexity

- RL.2.10 By the end of the year, read and comprehend literature, including stories and poetry, in the grades 2-3 text complexity band proficiently, with scaffolding as needed at the high end of the range.

## READING: FOUNDATIONAL SKILLS

### Phonics and Word Recognition

- RF.2.3 Know and apply grade-level phonics and word analysis skills in decoding words.
- RF.2.3a Distinguish long and short vowels when reading regularly spelled one-syllable words.
- RF.2.3b Know spelling-sound correspondences for additional common vowel teams.
- RF.2.3c Decode regularly spelled two-syllable words with long vowels.
- RF.2.3d Decode words with common prefixes and suffixes.
- RF.2.3e Identify words with inconsistent but common spelling-sound correspondences.
- RF.2.3f Recognize and read grade-appropriate irregularly spelled words.

### Fluency

- RF.2.4 Read with sufficient accuracy and fluency to support comprehension.
- RF.2.4a Read grade-level text with purpose and understanding.
- RF.2.4b Read grade-level text orally with accuracy, appropriate rate, and expression on successive readings.
- RF.2.4c Use context to confirm or self-correct word recognition and understanding, rereading as necessary.

## WRITING

### Text Types and Purposes

- W.2.1 Write opinion pieces in which they introduce the topic or book they are writing about, state an opinion, supply reasons that support the opinion, use linking words (e.g., *because*, *and*, *also*) to connect opinion and reasons, and provide a concluding statement or section.
- W.2.2 Write informative/explanatory texts in which they introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.
- W.2.3 Write narratives in which they recount a well-elaborated event or short sequence of events, include details to describe actions, thoughts, and feelings, use temporal words to signal event order, and provide a sense of closure.

### Production and Distribution of Writing

- (W.2.4 begins in grade 3)
- W.2.5 With guidance and support from adults and peers, focus on a topic and strengthen writing as needed by revising and editing.
- W.2.6 With guidance and support from adults, use a variety of digital tools to produce and publish writing, including in collaboration with peers.

### Research to Build and Present Knowledge

- W.2.7 Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).
- W.2.8 Recall information from experiences or gather information from provided sources to answer a question.
- (W.2.9 begins in grade 4)

### Range of Writing

- (W.2.10 begins in grade 3)

## SPEAKING AND LISTENING

- SL.2.1 Participate in collaborative conversations with diverse partners about *grade 2 topics and texts* with peers and adults in small and larger groups.
- SL.2.1a Follow agreed-upon rules for discussions (e.g., gaining the floor in respectful ways, listening to others with care, speaking one at a time about the topics and texts under discussion).
- SL.2.1b Build on others' talk in conversations by linking their comments to the remarks of others.
- SL.2.1c Ask for clarification and further explanation as needed about the topics and texts under discussion.
- SL.2.2 Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.
- SL.2.3 Ask and answer questions about what a speaker says in order to clarify comprehension, gather additional information, or deepen understanding of a topic or issue.
- SL.2.4 Tell a story or recount an experience with appropriate facts and relevant, descriptive details, speaking audibly in coherent sentences.
- SL.2.5 Create audio recordings of stories or poems; add drawings or other visual displays to stories or recounts of experiences when appropriate to clarify ideas, thoughts, and feelings.
- SL.2.6 Produce complete sentences when appropriate to task and situation in order to provide requested detail or clarification.

## READING: INFORMATIONAL TEXT

### Key Ideas and Details

- RI.2.1 Ask and answer such questions as *who*, *what*, *where*, *when*, *why*, and *how* to demonstrate understanding of key details in a text.
- RI.2.2 Identify the main topic of a multi-paragraph text as well as the focus of specific paragraphs within the text.
- RI.2.3 Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

### Craft and Structure

- RI.2.4 Determine the meaning of words and phrases in a text relevant to a grade 2 topic or subject area.
- RI.2.5 Know and use various text features (e.g., captions, bold print, subheadings, glossaries, indexes, electronic menus, icons) to locate key facts or information in a text efficiently.
- RI.2.6 Identify the main purpose of a text, including what the author wants to answer, explain, or describe.

### Integration of Knowledge and Ideas

- RI.2.7 Explain how specific images (e.g., a diagram showing how a machine works) contribute to and clarify a text.
- RI.2.8 Describe how reasons support specific points the author makes in a text.
- RI.2.9 Compare and contrast the most important points presented by two texts on the same topic.

### Range of Reading and Level of Text Complexity

- RI.2.10 By the end of year, read and comprehend informational texts, including history/social studies, science, and technical texts, in the grades 2-3 text complexity band proficiently, with scaffolding as needed at the high end of the range.

## LANGUAGE

### Conventions of Standard English

- L.2.1 Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
- L.2.1a Use collective nouns (e.g., group).
- L.2.1b Form and use frequently occurring irregular plural nouns (e.g., feet, children, teeth, mice, fish).
- L.2.1c Use reflexive pronouns (e.g., myself, ourselves).
- L.2.1d Form and use the past tense of frequently occurring irregular verbs (e.g., sat, hid, told).
- L.2.1e Use adjectives and adverbs, and choose between them depending on what is to be modified.
- L.2.1f Produce, expand, and rearrange complete simple and compound sentences (e.g., The boy watched the movie; The little boy watched the movie; The action movie was watched by the little boy).
- L.2.2 Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
- L.2.2a Capitalize holidays, product names, and geographic names.
- L.2.2b Use commas in greetings and closings of letters.
- L.2.2c Use an apostrophe to form contractions and frequently occurring possessives.
- L.2.2d Generalize learned spelling patterns when writing words (e.g., cage → badge; boy → boil).
- L.2.2e Consult reference materials, including beginning dictionaries, as needed to check and correct spellings.

### Knowledge of Language

- L.2.3 Use knowledge of language and its conventions when writing, speaking, reading, or listening.
- L.2.3a Compare formal and informal uses of English.

### Vocabulary Acquisition and Use

- L.2.4 Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 2 reading and content, choosing flexibly from an array of strategies.
- L.2.4a Use sentence-level context as a clue to the meaning of a word or phrase.
- L.2.4b Determine the meaning of the new word formed when a known prefix is added to a known word (e.g., happy/unhappy, tell/retell).
- L.2.4c Use a known root word as a clue to the meaning of an unknown word with the same root (e.g., addition, additional).
- L.2.4d Use knowledge of the meaning of individual words to predict the meaning of compound words (e.g., birdhouse, lighthouse, housefly; bookshelf, notebook, bookmark).
- L.2.4e Use glossaries and beginning dictionaries, both print and digital, to determine or clarify the meaning of words and phrases.
- L.2.5 Demonstrate understanding of word relationships and nuances in word meanings.
- L.2.5a Identify real-life connections between words and their use (e.g., describe foods that are spicy or juicy).
- L.2.5b Distinguish shades of meaning among closely related verbs (e.g., toss, throw, hurl) and closely related adjectives (e.g., thin, slender, skinny, scrawny).
- L.2.6 Use words and phrases acquired through conversations, reading and being read to, and responding to texts, including using adjectives and adverbs to describe (e.g., When other kids are happy that makes me happy).

# GRADE 2

## Operations & Algebraic Thinking

- 2.OA.1** Use addition and subtraction within 100 to solve one- and two-step word problems involving situations of adding to, taking from, putting together, taking apart, and comparing, with unknowns in all positions, e.g., by using drawings and equations with a symbol for the unknown number to represent the problem.
- 2.OA.2** Fluently add and subtract within 20 using mental strategies. By end of Grade 2, know from memory all sums of two one-digit numbers.
- 2.OA.3** Determine whether a group of objects (up to 20) has an odd or even number of members, e.g., by pairing objects or counting them by 2s; write an equation to express an even number as a sum of two equal addends.
- 2.OA.4** Use addition to find the total number of objects arranged in rectangular arrays with up to 5 rows and up to 5 columns; write an equation to express the total as a sum of equal addends.

## Number & Operations in Base 10

- 2.NBT.1** Understand that the three digits of a three-digit number represent amounts of hundreds, tens, and ones; e.g., 706 equals 7 hundreds, 0 tens, and 6 ones. Understand the following as special cases:
- ❖ 100 can be thought of as a bundle of ten tens — called a “hundred.”
  - ❖ The numbers 100, 200, 300, 400, 500, 600, 700, 800, 900 refer to one, two, three, four, five, six, seven, eight, or nine hundreds (and 0 tens and 0 ones).
- 2.NBT.2** Count within 1000; skip-count by 5s, 10s, and 100s.
- 2.NBT.3** Read and write numbers to 1000 using base-ten numerals, number names, and expanded form.
- 2.NBT.4** Compare two three-digit numbers based on meanings of the hundreds, tens, and ones digits, using  $>$ ,  $=$ , and  $<$  symbols to record the results of comparisons. Understand the following as special cases:
- 2.NBT.5** Fluently add and subtract within 100 using strategies based on place value, properties of operations, and/or the relationship between addition and subtraction.
- 2.NBT.6** Add up to four two-digit numbers using strategies based on place value and properties of operations.
- 2.NBT.7** Add and subtract within 1000, using concrete models or drawings and strategies based on place value, properties of operations, and/or the relationship between addition and subtraction; relate the strategy to a written method. Understand that in adding or subtracting three-digit numbers, one adds or subtracts hundreds and hundreds, tens and tens, ones and ones; and sometimes it is necessary to compose or decompose tens or hundreds.
- 2.NBT.8** Mentally add 10 or 100 to a given number 100–900, and mentally subtract 10 or 100 from a given number 100–900.
- 2.NBT.9** Explain why addition and subtraction strategies work, using place value and the properties of operations.

## Measurement & Data

- 2.MD.1** Measure the length of an object by selecting and using appropriate tools such as rulers, yardsticks, meter sticks, and measuring tapes.
- 2.MD.2** Measure the length of an object twice, using length units of different lengths for the two measurements; describe how the two measurements relate to the size of the unit chosen.
- 2.MD.3** Estimate lengths using units of inches, feet, centimeters, and meters.
- 2.MD.4** Measure to determine how much longer one object is than another, expressing the length difference in terms of a standard length unit.
- 2.MD.5** Use addition and subtraction within 100 to solve word problems involving lengths that are given in the same units, e.g., by using drawings (such as drawings of rulers) and equations with a symbol for the unknown number to represent the problem.
- 2.MD.6** Represent whole numbers as lengths from 0 on a number line diagram with equally spaced points corresponding to the numbers 0, 1, 2, ..., and represent whole-number sums and differences within 100 on a number line diagram.
- 2.MD.7** Tell and write time from analog and digital clocks to the nearest five minutes, using a.m. and p.m.
- 2.MD.8** Solve word problems involving dollar bills, quarters, dimes, nickels, and pennies, using \$ and ¢ symbols appropriately. Example: If you have 2 dimes and 3 pennies, how many cents do you have?
- 2.MD.9** Generate measurement data by measuring lengths of several objects to the nearest whole unit, or by making repeated measurements of the same object. Show the measurements by making a line plot, where the horizontal scale is marked off in whole-number units.
- 2.MD.10** Draw a picture graph and a bar graph (with single-unit scale) to represent a data set with up to four categories. Solve simple put-together, take-apart, and compare problems using information presented in a bar graph.

## Geometry

- 2.G.1** Recognize and draw shapes having specified attributes, such as a given number of angles or a given number of equal faces. Identify triangles, quadrilaterals, pentagons, hexagons, and cubes.
- 2.G.2** Partition a rectangle into rows and columns of same-size squares and count to find the total number of them.
- 2.G.3** Partition circles and rectangles into two, three, or four equal shares, describe the shares using the words halves, thirds, half of, a third of, etc., and describe the whole as two halves, three thirds, four fourths. Recognize that equal shares of identical wholes need not have the same shape.

# 3 KEY IDEAS FOR PARENTS about the Common [CORE]

## Thinking Deeply

The Common Core emphasizes critical thinking. It requires students to analyze more, discuss more, evaluate more, justify more and explain their thinking & understanding deeply, especially in writing. *Take-Away: Really thinking deeply is hard. Let it BE hard, help them talk it out.*

## Integrating Learning

The Common Core emphasizes learning across disciplines (reading with math & social studies standards combined into one task). Students spend more time working together with different settings, structures & tools. *Take-Away: Problems & solutions happen everyday in the real world.*

## Showing How They Know

The Common Core emphasizes proof & evidence. Long gone are the days of worksheets, fact memorizations and skill & drill. Students are not taught this way and they are not assessed this way. *Take-away: The new tests will require students to explain how they know.*

## Supporting The Common Core at Home

- ① Ask *\*why\** when children tell you they want something or want to do or not do something.
- ② Use the word *\*because\** after "No" or "Not tonight..."
- ③ Give reasons—you to them and them to you.
- ④ Encourage questions & explore answers (especially questions whose answers are not yes or no.)
- ⑤ Explain & discuss issues or problems in your house, neighborhood, & community. Brainstorm solutions.
- ⑥ Compare how things are alike and different—videos, movies, food.
- ⑦ Look for patterns
- ⑧ Describe & categorize stuff.
- ⑨ Tell your children what you value & why.
- ⑩ Encourage & celebrate opinions.

# What is my child learning in Second Grade?

## Geometry

**2.G.1** Recognize and draw shapes having specified attributes, such as a given number of angles or a given number of equal faces. Identify triangles, quadrilaterals, pentagons, hexagons, and cubes.

**2.G.2** Partition a rectangle into rows and columns of same-size squares and count to find the total number of them.

**2.G.3** Partition circles and rectangles into two, three, or four equal shares, describe the shares using the words halves, thirds, half of, a third of, etc., and describe the whole as two halves, three thirds, four fourths. Recognize that equal shares of identical wholes need not have the same shape.

# GRADE 2

## READING: LITERATURE

### Key Ideas and Details

- RL.2.1 Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.
- RL.2.2 Recount stories, including fables and folktales from diverse cultures, and determine their central message, lesson, or moral.
- RL.2.3 Describe how characters in a story respond to major events and challenges.

### Craft and Structure

- RL.2.4 Describe how words and phrases (e.g., regular beats, alliteration, rhymes, repeated lines) supply rhythm and meaning in a story, poem, or song.
- RL.2.5 Describe the overall structure of a story, including describing how the beginning introduces the story and the ending concludes the action.
- RL.2.6 Acknowledge differences in the points of view of characters, including by speaking in a different voice for each character when reading dialogue aloud.

### Integration of Knowledge and Ideas

- RL.2.7 Use information gained from the illustrations and words in a print or digital text to demonstrate understanding of its characters, setting, or plot.
- RL.2.8 (RL.1.8 not applicable to literature)
- RL.2.9 Compare and contrast two or more versions of the same story (e.g., Cinderella stories) by different authors or from different cultures.

### Range of Reading and Level of Text Complexity

- RL.2.10 By the end of the year, read and comprehend literature, including stories and poetry, in the grades 2-3 text complexity band proficiently, with scaffolding as needed at the high end of the range.

## READING: FOUNDATIONAL SKILLS

### Phonics and Word Recognition

- RF.2.3 Know and apply grade-level phonics and word analysis skills in decoding words.
- RF.2.3a Distinguish long and short vowels when reading regularly spelled one-syllable words.
- RF.2.3b Know spelling-sound correspondences for additional common vowel teams.
- RF.2.3c Decode regularly spelled two-syllable words with long vowels.
- RF.2.3d Decode words with common prefixes and suffixes.
- RF.2.3e Identify words with inconsistent but common spelling-sound correspondences.
- RF.2.3f Recognize and read grade-appropriate irregularly spelled words.

### Fluency

- RF.2.4 Read with sufficient accuracy and fluency to support comprehension.
- RF.2.4a Read grade-level text with purpose and understanding.
- RF.2.4b Read grade-level text orally with accuracy, appropriate rate, and expression on successive readings.
- RF.2.4c Use context to confirm or self-correct word recognition and understanding, rereading as necessary.

## WRITING

### Text Types and Purposes

- W.2.1 Write opinion pieces in which they introduce the topic or book they are writing about, state an opinion, supply reasons that support the opinion, use linking words (e.g., because, and, also) to connect opinion and reasons, and provide a concluding statement or section.
- W.2.2 Write informative/explanatory texts in which they introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.
- W.2.3 Write narratives in which they recount a well-elaborated event or short sequence of events, include details to describe actions, thoughts, and feelings, use temporal words to signal event order, and provide a sense of closure.

### Production and Distribution of Writing

- (W.2.4 begins in grade 3)
- W.2.5 With guidance and support from adults and peers, focus on a topic and strengthen writing as needed by revising and editing.
- W.2.6 With guidance and support from adults, use a variety of digital tools to produce and publish writing, including in collaboration with peers.

### Research to Build and Present Knowledge

- W.2.7 Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).
- W.2.8 Recall information from experiences or gather information from provided sources to answer a question.
- (W.2.9 begins in grade 4)

### Range of Writing

- (W.2.10 begins in grade 3)

## SPEAKING AND LISTENING

- SL.2.1 Participate in collaborative conversations with diverse partners about grade 2 topics and texts with peers and adults in small and larger groups.
- SL.2.1a Follow agreed-upon rules for discussions (e.g., gaining the floor in respectful ways, listening to others with care, speaking one at a time about the topics and texts under discussion).
- SL.2.1b Build on others' talk in conversations by linking their comments to the remarks of others.
- SL.2.1c Ask for clarification and further explanation as needed about the topics and texts under discussion.
- SL.2.2 Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.
- SL.2.3 Ask and answer questions about what a speaker says in order to clarify comprehension, gather additional information, or deepen understanding of a topic or issue.
- SL.2.4 Tell a story or recount an experience with appropriate facts and relevant, descriptive details, speaking audibly in coherent sentences.
- SL.2.5 Create audio recordings of stories or poems; add drawings or other visual displays to stories or recounts of experiences when appropriate to clarify ideas, thoughts, and feelings.
- SL.2.6 Produce complete sentences when appropriate to task and situation in order to provide requested detail or clarification.

## READING: INFORMATIONAL TEXT

### Key Ideas and Details

- RI.2.1 Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.
- RI.2.2 Identify the main topic of a multi-paragraph text as well as the focus of specific paragraphs within the text.
- RI.2.3 Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

### Craft and Structure

- RI.2.4 Determine the meaning of words and phrases in a text relevant to a grade 2 topic or subject area.
- RI.2.5 Know and use various text features (e.g., captions, bold print, subheadings, glossaries, indexes, electronic menus, icons) to locate key facts or information in a text efficiently.
- RI.2.6 Identify the main purpose of a text, including what the author wants to answer, explain, or describe.

### Integration of Knowledge and Ideas

- RI.2.7 Explain how specific images (e.g., a diagram showing how a machine works) contribute to and clarify a text.
- RI.2.8 Describe how reasons support specific points the author makes in a text.
- RI.2.9 Compare and contrast the most important points presented by two texts on the same topic.

### Range of Reading and Level of Text Complexity

- RI.2.10 By the end of year, read and comprehend informational texts, including history/social studies, science, and technical texts, in the grades 2-3 text complexity band proficiently, with scaffolding as needed at the high end of the range.

## LANGUAGE

### Conventions of Standard English

- L.2.1 Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
- L.2.1a Use collective nouns (e.g., group).
- L.2.1b Form and use frequently occurring irregular plural nouns (e.g., feet, children, teeth, mice, fish).
- L.2.1c Use reflexive pronouns (e.g., myself, ourselves).
- L.2.1d Form and use the past tense of frequently occurring irregular verbs (e.g., sat, hid, told).
- L.2.1e Use adjectives and adverbs, and choose between them depending on what is to be modified.
- L.2.1f Produce, expand, and rearrange complete simple and compound sentences (e.g., The boy watched the movie; The little boy watched the movie; The action movie was watched by the little boy).
- L.2.2 Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
- L.2.2a Capitalize holidays, product names, and geographic names.
- L.2.2b Use commas in greetings and closings of letters.
- L.2.2c Use an apostrophe to form contractions and frequently occurring possessives.
- L.2.2d Generalize learned spelling patterns when writing words (e.g., cage → badge; boy → boil).
- L.2.2e Consult reference materials, including beginning dictionaries, as needed to check and correct spellings.

### Knowledge of Language

- L.2.3 Use knowledge of language and its conventions when writing, speaking, reading, or listening.
- L.2.3a Compare formal and informal uses of English.

### Vocabulary Acquisition and Use

- L.2.4 Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 2 reading and content, choosing flexibly from an array of strategies.
- L.2.4a Use sentence-level context as a clue to the meaning of a word or phrase.
- L.2.4b Determine the meaning of the new word formed when a known prefix is added to a known word (e.g., happy/unhappy, tell/retell).
- L.2.4c Use a known root word as a clue to the meaning of an unknown word with the same root (e.g., addition, additional).
- L.2.4d Use knowledge of the meaning of individual words to predict the meaning of compound words (e.g., birdhouse, lighthouse, housefly; bookshelf, notebook, bookmark).
- L.2.4e Use glossaries and beginning dictionaries, both print and digital, to determine or clarify the meaning of words and phrases.
- L.2.5 Demonstrate understanding of word relationships and nuances in word meanings.
- L.2.5a Identify real-life connections between words and their use (e.g., describe foods that are spicy or juicy).
- L.2.5b Distinguish shades of meaning among closely related verbs (e.g., toss, throw, hurl) and closely related adjectives (e.g., thin, slender, skinny, scrawny).
- L.2.6 Use words and phrases acquired through conversations, reading and being read to, and responding to texts, including using adjectives and adverbs to describe (e.g., When other kids are happy that makes me happy).

# Finding Your Students' Superpowers: Using ACCESS for ELLs Score Reports

**Students can do so many things!  
Help them demonstrate their superpowers  
throughout the school year!**

**Knowledge  
is power!**

**BAM!**

## RESOURCES

- [Interpretive Guide for Score Reports](#)
- [Alternate ACCESS for ELLs Interpretive Guide](#)
- [Interpreting Score Reports Webinar](#)
- [Individual Student Score Notes Template](#)
- [Parent Guide for ACCESS for ELLs 2.0 Score Reports](#) (translated into multiple languages)
- [Customizable PowerPoint presentation](#) designed for use with parents/families
- [Lesson plans](#) for helping students develop awareness of their own language growth

### Analyze

- Understand your students' English language proficiency; use the Interpretive Guide to learn more.
- Score reports should always be used alongside other data sources, including teacher observations, to get the complete picture.
- Cross-reference ACCESS scores with other data sources, such as academic achievement tests and daily assignments.
- Use the data to find your students' strengths!

### Communicate

- Schedule a time to talk with students and families.
- Use translated reports, as needed.
- Use the [WIDA Can Do Descriptors](#) to empower your students, their families, and other teachers with awareness of what they CAN DO.

### Collaborate

- Enhance curriculum based on students' strengths and focus areas.
- Update school and district improvement plans for ELLs to ensure all instructional needs are being met.
- Develop professional learning ideas for teachers serving ELLs.
- Review entry and exit processes.

### Act on your Findings

- Use the [WIDA ELD Standards](#) to inform instruction.
- Adjust student goals and learning objectives if necessary.
- Monitor students' performance just prior to and after program exit.
